Xmas Raffles

Music & sing a long

Festive fun activities

Enjoy wonderful company & celebrate another great year together.

In the Christmas spirit of giving, I am taking donations of good quality books for Pre School, Infants and Primary aged children. These I will take to The Smith Family to hopefully give some joy to a child over the Christmas period. My Santa sack will be under the Christmas Tree at our Christmas lunch for any donations or at our November meeting. A representative of The Smith Family will be speaking at our November Meeting. There is no need to wrap books as the Smith Family will allocate books to the appropriate age groups of children.
